What is Cross Country Equestrian (CCE)?

An objectively scored equestrian sport centered around a cross country jumping competition, in which points are scored for successfully jumping obstacles and penalties are incurred for errors. The most unique feature of CCE is that every obstacle on course is optional, and can be passed without penalty.

Each competitor can make the best decisions based on their partnership and objectives. A competitor can decide to PASS any, obstacle on a CCE course. No unhelpful adverse pressure.

A competition will include one or more of the three main Stages of CCE:

Endurance Cross Ride (EXR) - A distance course often with special athletic sections or including simple obstacles.

Cross Country Ride (CCR) - A typical cross country course of obstacles in an open setting but with unique and innovative CCE features.

Jump Off Ride (JOR) - A blend of showjumping and cross country type obstacles between arena and open settings, with a non-jumping Gallop section.

CCE Features

Inclusive - absolute beginner to advanced riders, inexperienced to proficient horses.

Inviting - ride with a friend or in groups, coaching always allowed.

Safety and equine welfare is integrated throughout, reducing risks to horses and riders.

Tack / attire - comfortable, appropriate and safe; approved helmet and vest required.

Constructive - special Allowances and Additional Rounds to maximize benefits.

River Glen Equestrian Park CCE

Sat Oct 12: CCE Clinic - instruction and an introduction to CCE fundamentals.

Sun Oct 13: CCE Workshop Competition - briefing, course-walk, casual competition.
